## 11<sup>th</sup> ANNUAL GENERAL MEETING 4<sup>TH</sup> MAY 2019

The 11<sup>th</sup> Annual General Meeting of the Malaysian Association of Natural Medicine Practitioners (MANMP) was held at 9B, Jalan TK 1/11A, Taman Kinrara, 47100 Puchong, Selangor Darul Ehsan on the 24<sup>th</sup> March 2013. The President, Prof. Dr. Ananthan Krishnan in his opening speech, made mention of MANMP as a 11 year old Association of Natural Medicine Practitioners which has been received well by the Malaysian Ministry of Health. In this 11 years since its founding it has experienced worldwide challenges which it has been handling very satisfactorily. The President further mentioned that has to find ways and means to keep it expanding worldwide scientifically and professionally.

**THE NEWLY ELECTED COMMITTEE MEMBERS OF THE MALAYSIAN ASSOCIATION OF NATURAL MEDICINE PRACTITIONERS FOR THE YEAR 2019 AND 2020**

Among other matters that were brought up:

1. Letter dated 8<sup>th</sup> November 2018 from the Ministry of Health recognizing MANMP mentioning a possibility of accepting MANMP membership into their council within the next two years.
2. Incorporating a syllabus for Diploma in Natural Medicine with Perdana College. This will be the first accredited program for Natural Medicine in Malaysia with opportunities for all races. Graduates from this Natural Medicine College to be encouraged to become members of MANMP who will be relied on to develop MANMP in Malaysia and the also globally.

Among other activities planned for this year:

1. To organize a Natural Healthcare and Medicine Seminar headed by Naturopathy Doctor Mr. Lai Yoon Kgen.
2. To send in an aggressive letter to the Ministry of Health on the proposal of recognizing Natural Medicine.
3. To invite a member of the Traditional and Complementary Medicine Division of the Ministry of Health to explain the status of Natural Medicine to the Ministry and also to state the terms and condition of practicing Natural Medicine.
4. To look into evaluating Perdana College as per MQA requirement and start the program on Natural Medicine by July 2019.

**SPEARHEADING THE PROGRESSIVE TRANSFORMATION  
OF NATURAL HEALTHCARE AND MEDICINE**
